About the Seminar

Organized by Dashun Foundation, a HKSAR non profit-making charitable institution, this project aims to provide up-to-date information on the trends of the development of Cambodia, Indonesia and Myanmar on business environment in relation to infrastructure and building sectors. It intends to give an in-depth discussion on relevant regulations and policies in the regions, to analyse the factors that might influence the opportunities, risk management and business strategies of the Hong Kong construction industry in their infrastructure and building projects in Cambodia, Indonesia and Myanmar.
