為政府施政方針建言獻策

行政長官曾蔭權在10月發表的《施政報告》以“群策創新天”為主題，強調通過創新的方式和思維，打破經濟結構的局限，擴闊與內地的合作空間，並且鞏固優勢，帶領香港創出一片新天地，從容迎接未來的挑戰。

《施政報告》發表後，本會隨即召開座談會，收集意見整理後致函行政長官，反映工商界意見。此外，本會聯同多家在港的本地及外國商會合辦午餐講座，邀請行政長官向工商界人士闡釋《施政報告》內容要旨。(2/11)

Suggestions on the Policy Address

The Hon Donald Tsang, the Chief Executive, published his Policy Address in October 2009. Titled “Breaking New Ground Together”, the Policy Address emphasized the importance of innovation in making breakthroughs for Hong Kong’s economic structure, broadening its cooperation with the Mainland, as well as strengthening its edge. This would enable Hong Kong to create new grounds and well prepare for future challenges.

Soon after the release of the Policy Address, the Chamber held a forum to compile views for submission to the Chief Executive. The Chamber also co-organized with a number of local and foreign chambers in Hong Kong a joint luncheon to invite the Chief Executive to speak to the business community on the highlights in the Policy Address. 支持預算案紓解民困

財政司司長曾俊華在《財政預算案》午餐講座上指出，2009/2010年度預算案以“反經濟週期”及“保就業”為策略，藉以紓解民困。此外，政府強調審慎理財，以迅速、有效回應經濟環境的挑戰，並在有需要時推行更多具針對性的紓困措施。(9/3)

本會認為，預算案既確保香港財政儲備維持在合理水平，亦以針對性措施創造就業，減低經濟下滑帶來的負面影響，值得肯定。本會亦支持預算案提出加強香港和澳門、內地尤其是珠三角的聯繫，並推動大型跨境基建。

剖析國際新形勢

本年適值中美建交30周年，本會舉行午餐講座，邀請外交部駐港特派員公署特派員呂新華演講，回顧及展望兩國關係。他指出，中美關係過去雖有風雨，卻是向前發展；美國新政府相當重視中美雙邊關係，雙方經貿合作前景樂觀。他亦提到，香港背靠祖國，面向世界，在兩國關係發展中扮演重要角色。(10/2)

有“歐元之父”稱號的諾貝爾經濟學獎得主羅伯特·蒙代爾教授應本會邀請擔任論壇演講嘉賓，以“金融危機的教訓及國際貨幣秩序變化展望”為題，闡釋去年金融海嘯的成因，並就設立國際貨幣、中國經濟發展和人民幣匯率等議題作出精闢分析。(24/11)

Support for the Budget

In the post-Budget luncheon seminar, the Hon John Tsang, the Financial Secretary, spoke on the strategic directions of the 2009/2010 Budget: a “counter-cyclical” fiscal strategy and an objective of “preserving employment” to ease the people’s difficulty. He also remarked on the Government’s emphasis on prudent financing that allowed Hong Kong to respond to the challenges of the economic environment in a quick and effective manner. As suggested in the Budget, moreover, further focused mitigation measures would be rolled out if necessary. (9/3)

The Chamber considered the Budget deserved recognition as it ensured a reasonable level of financial reserves in Hong Kong, while adopting measures for creating employment to minimize the negative impact resulted from the economic downturn. The Chamber was in support of the Budget’s proposal to strengthen the ties among Hong Kong, Macau, and the Mainland – in particular the Pearl River Delta region – as well as to facilitate large scale cross border infrastructures.

Analysis of International Trends

The year marked the 30th anniversary of the establishment of the Sino-American diplomatic relations. In view of this, the Chamber hosted a luncheon seminar, in which Mr Lu Xinhua, Commissioner of the Office of the Ministry of Foreign Affairs in the HKSAR, was invited to speak on the past and future of the bilateral relationship. He pointed out that the Sino-American relations had been going forward despite hardships in the past. According to Lu, the fact that the new US administration attached high importance on the bilateral relationship would be favorable to the prospects for bilateral trade collaboration. He also said that with its unique role in bringing the Mainland and the world together, Hong Kong would play an important role in the development of the Sino-American relations. (10/2)

The Chamber invited noteworthy speaker – Nobel Prize Laureate Robert A Mundell, also known as the “Father of the Euro” – to discuss the causes of the 2008 financial tsunami in the talk “The Financial Crisis, Exchange Rates and the RMB”. Mundell gave insightful analyses on the establishment of an international currency, China’s economic development and the RMB exchange rate. (24/11)
